Moncler, the French-Italian apparel manufacturer noted for its fashionable winterwear and sportswear, has opened at The Shops at The Bravern.

Designed to be unique, the premises are enhanced by *chêne fumé* French wood panelling. Movement is added by glass and metal inserts used for the display area, and by the *carnico* grey marble used for the floors. The boutique houses a wide selection of garments from the Moncler and Moncler Grenoble collections — man, woman and accessories — as well as the Moncler Lunettes collection.

The shop is at 700 110th Ave. N.E., Suite 175, Bellevue. More information is available at 425-635-9012.
